PROFESSIONAL SUMMARY

Senior Graphic Designer with 10+ years of experience in branding, UI/UX, and digital design for the entertainment and tech sectors. Skilled in developing high-impact visual assets for remote environments and international projects. Experienced in end-to-end design systems, motion graphics, and cross-functional collaboration.

PROFESSIONAL EXPERIENCE

Self-employed **Remote**
Graphic Designer Oct 2021 - Current

- Streamline the design-to-delivery workflow, reducing revision cycles through structured feedback systems.
- Lead social media design for a corporate client while building visual identities for entrepreneurs across industries.
- Creative lead designer for a corporate client, producing social media assets (static, animated, video) aligned with monthly marketing campaigns.
- Deliver high-quality design solutions across food & beverage, retail, and professional services, adapting to diverse budget levels without compromising aesthetic standards.

NutriWhite | Project-Based Contract **Caracas, Venezuela**
Graphic & Digital Designer Feb 2021 - Sep 2021

- Partnered with nutritionists and marketing stakeholders to translate business goals into digital experiences that engaged target audiences.
- Designed landing pages and executed e-commerce migrations to Kajabi and Shopify, ensuring seamless marketing operations throughout the transition.
- Led visual identity and creative execution for a multi-channel bootcamp campaign, delivering digital assets and landing pages for a large-scale client acquisition initiative.

Ticketmundo **Caracas, Venezuela**
Graphic Designer Feb 2019 - Jan 2021

- Designed social media content and digital assets to support event promotion during the pandemic, helping maintain audience connection when in-person events were not possible.
- Created custom ticket designs and venue seating maps for concerts and live events, maintaining strict accuracy standards for venue specifications
- Led the graphic department through organizational restructuring, ensuring seamless operational continuity, preventing workflow collapse during the pandemic.

GSM Venezuela **Caracas, Venezuela**
Graphic Designer Aug 2015 - Dec 2018

- Developed graphic materials for high-stakes RFP responses, marketing collateral, and digital assets, supporting business development efforts that contributed to securing public and private sector contracts.
- Collaborated with engineering and commercial teams to translate technical requirements into visually compelling presentations, playing a critical role in the success of multiple high-value bids.

Koiosoft | Project-Based Contract **Caracas, Venezuela**
Product & Brand Designer Jan 2015 - Jun 2015

- Led end-to-end UX/UI design for the mobile application of Cinex (a national cinema chain) on iOS and Android, delivering an intuitive experience that supported hundreds of thousands of downloads within the first year of launch.
- Executed a complete corporate rebranding, modernizing the visual identity across digital and print touchpoints.

Bunker Publicitario **Caracas, Venezuela**
Graphic Designer Aug 2012 - Dec 2014

- Collaborated closely with creative director and account managers to translate client briefs into polished, production-ready graphic solutions.
- Supported a high-volume creative environment, contributing to the successful delivery of numerous client projects.
